LAMONT'S

- BISHOPS HOUSE -

CONGRATULATIONS
on your engagement!

We'd love to host your special day here at Lamont's Bishop's House, one of the most iconic locations in Perth – so let us introduce ourselves properly. Bishop's House is a heritage-listed home in the heart of the city, encircled with incredible gardens and spectacular views.

The Lamont family's philosophy centres around the most basic tenet of enjoying exceptional food and wine, together with your nearest and dearest. And while we're on the subject of fantastic food and wine, Kate Lamont and Nathan Le have been managing our award-winning kitchens for over two decades across our state. With love, passion and consideration, they marry fresh, seasonal and local produce, traditional methods and new techniques to create elegant, harmonious and uncomplicated dishes that sing with flavour.

We pride ourselves on our service, focusing on making your event and experiences with us comfortable, warm, inviting and as stress- and worry-free as possible. Our staff are trained professionals, helpful and eager to assist, making every experience you have with us an amazing one.

Bishop's House is also a spectacular event space; with options to suit events from 10 right up to 200 guests, and packages that can be tailored to you and your love story, the possibilities are endless. From romantic and intimate events in our gardens or dining rooms, to larger events under the sprawling, glittering night sky, there is something to suit every couple's wedding dream and taste.

Our brochure will take you through a small slice of the beauty and brilliance that Bishop's House has to offer. We look forward to chatting with you about your dream wedding day, and we know we'll be your perfect venue match.
