

Wine

As we are a Wine Store and not a restaurant our pricing mark-ups differ from the norm. The list below has our recommendations for today which change regularly as we stock many wines that are "hard to get" and in short supply. If nothing on the list takes your fancy feel free to choose a bottle from our shop floor and add \$18.50 for the 'drink here' price (\$10 for half bottles, \$37 for magnums). Retail plus 'drink here' allows you to choose wines at significantly below normal restaurant margin. *Less than three bottles remaining
