Rose Garden

This brick paved area is bordered by manicured gardens, white Iceberg roses and climbing figs and can lend itself to starlit long table events, spectacular cocktail evenings and marquees, & has ample room for a dance floor and live music. Dusk with the surrounding high rises is quite spectacular.

Lower Courtyard

Cocktail events for up to 300 can be hosted here with enough room for staging and audiovisual equipment. Marquees will also fit nicely on the paving and can accommodate up to 150 for a sit down dinner.

Dining Room 1

In the heart of the restaurant and is accessed from the main level. Three French doors open up onto the balcony to provide sweeping views of the garden. This room and the balcony can also be used for cocktail events or dining, a popular option because of the view.

Dining Room 2

Features a bay window accessing the balcony at one end and the original marble fireplace at the other. Dining events can be a single table for 20 guests or up to two tables for 30 guests. The surrounding balcony is used for pre-dinner service for canapés and cocktails.

Board Room

A private and secluded room situated upstairs and is appropriate for up to 12 guests on a boardroom table. Corporate clients or weddings will often congregate on the balcony for a pre-dinner drink before moving upstairs for dinner.

Private Dining Room

This long room best suits a boardroom style table for 20 though it can be modified for presentations and seat up to 24. The adjoining sitting room is for drinks on arrival before dining.

Main Level

The partition dividing dining room 1 & 2 can be opened to create a larger space for exclusive use of the whole main floor and balcony. Seated dining for up to 50, cocktail events for 70, or theatre style presentations are possible, and privacy from other diners can also be provided.
