multi-regional wines

- SWAN VALLEY – MARGARET RIVER – GREAT SOUTHERN -

**2020 Corin's Blend** – this wine is named after Corin Lamont, the matriarch of our business – without her we wouldn't be where we are today. Quite simply she loved a flavoursome medium weight red wine that she could enjoy in summer slightly chilled. Shiraz, Grenache, and Mataro complete the trio of fruit from Swan Valley vineyards – a special wine for a special individual. 30 / 10

**2020 Shiraz** – grapes grown on our own back block from generous, perfectly ripened fruit. A definite “wow” factor in this wine. You won't be disappointed. 35 / 12

**2018 Cabernet Malbec** – an advantageous blend of 80% Great Southern Cabernet and 20% Margaret River Malbec. Bottle aging following 18 months in oak has seen this wine get better and better – rich, soft and with some blackberry nuances it deserves a chance! 35 / 12

**2017 Black Monster** – our pinnacle of pride. This wine is 100% Malbec from a much-loved vineyard in Donnybrook. Now soft, generous, and stylish with weight – it's not for the faint hearted but is yearning to be released! Are you up for the challenge? 55 / 14

**Navera** – Lamont's best loved fortified - a classic liqueur style. Aromas of ripe apricots and raisins with a rich and luscious palate and delicious, lingering finish.
