NAVERA

A classic Australian liqueur style is made from Swan Valley low-yielding old vine, dry grown Navera (a Muscat derivative), Pedro Ximenez (PX) and Frontignac (Brown Muscat).

The bouquet - a lift of ripe apricots, raisins and liqueured cumquats. The palate is rich, warm, and luscious with a long lingering finish. To surprise and delight, try it also as a cocktail with plenty of ice and a small wedge of lime (squeeze out the juice first).
