LAMONT'S

- BISHOPS HOUSE -

CONGRATULATIONS

on your engagement!

We'd love to host your special day here at Lamont's Bishop's House, one of the most iconic locations in Perth – so let us introduce ourselves properly. Bishop's House is a heritage-listed home in the heart of the city, encircled with incredible gardens and spectacular views.

The Lamont family's philosophy centres around the most basic tenet of enjoying exceptional food and wine, together with your nearest and dearest. And while we're on the subject of fantastic food and wine, Kate Lamont and Nathan Le have been managing our award-winning kitchens for over two decades across our state. With love, passion and consideration, they marry fresh, seasonal and local produce, traditional methods and new techniques to create elegant, harmonious and uncomplicated dishes that sing with flavour.

We pride ourselves on our service, focusing on making your event and experiences with us comfortable, warm, inviting and as stress- and worry-free as possible. Our staff are trained professionals, helpful and eager to assist, making every experience you have with us an amazing one.

Bishop's House is also a spectacular event space; with options to suit events from 10 right up to 200 guests, and packages that can be tailored to you and your love story, the possibilities are endless. From romantic and intimate events in our gardens or dining rooms, to larger events under the sprawling, glittering night sky, there is something to suit every couple's wedding dream and taste.

Our brochure will take you through a small slice of the beauty and brilliance that Bishop's House has to offer. We look forward to chatting with you about your dream wedding day, and we know we'll be your perfect venue match.

THE GENEROUS EVENT SPACES

THE ROSE GARDEN

(outdoor event space)

Manicured gardens filled with white iceberg roses and climbing figs surround the Rose Garden courtyard, making it the perfect place to exchange your vows and enjoy champagne and canapes before moving upstairs to dine or continuing celebrations in any of our stunning outdoor spaces. This area has a maximum guest capacity of 80 for sit-down/long table dining, or 120 for a cocktail reception.

THE LOWER COURTYARD

(outdoor event space)

The Lower Courtyard is a stunning, spacious area; the paved courtyard and adjacent lawn is encircled by lush garden beds, with Bishop's House as a stately backdrop for your night.

The Lower Courtyard is well-loved for large or long-table events and cocktail receptions, with the lawn being the perfect spot for marquees or as a dedicated lounge and bar area.

This space is perfect of a maximum guest capacity of 140 for sit-down or long table dining, or up to 300 for a cocktail reception.

An outdoor dining area at night, likely at a restaurant or event space. The scene is illuminated by warm string lights hanging from a balcony and a large tree on the left. Several rectangular tables are covered with white tablecloths and set with white plates, glassware, and small floral centerpieces. Black chairs are arranged around the tables. In the background, a modern building with large glass windows and a balcony is visible. A sign on the building reads "La Monte".
